#### MILLE COLORI BIG

(50% Wool, 50% Acrylic) 200 g = 1 ball.  
1 set each of double pointed knitting  
needles size 8mm.  
St markers and cable needle.

### Rib pattern: k1, p1

### Method:

With size 8mm needles cast on 48sts =  
12 sts to each of 4 double-pointed  
needles.

Tip: for a nice firm edge try a cable  
cast on!

Form a circle, place marker at end of round and continue knitting in rounds of k1, p1  
rib until hat measures 25cm = 10"

Commence 4 rows shaping for crown:

Row 1: \*k1, sl1, k2tog, pssso, k1, p1, k1, rep from \* = 32 sts

Rows 2 and 3: k1, p1 rib

Row 4: \*k2tog, rep to end.

Draw thread through remaining sts and fasten off neatly inside – you will achieve a  
slightly gathered effect.

You will have enough yarn to make quick and easy **matching wristwarmers:**

make 2, knitted flat – cast on 25sts, work in k1, p1 rib until a length of 30cm, cast off.

Sew up seam, leaving hole for thumb 7cm below cast off edge
